**CORN MAZE 2010:** The year's biggest, longest, toughest fundraiser is just around the corner. Most of you know the drill...we've made a corn maze and we pay you to keep people from destroying it. Corn Maze begins October 2. It's a great way to earn money for this year's trips! A few things you should know up front...

- You MUST attend a corn cop training BEFORE you are allowed to work the maze.
- Training will be scheduled privately in smaller groups, so call Michael to schedule one.
- Want more hours? Sign-up for a trip.
- NEW! Corn Ninjas (aka supervisor)...same pay, more responsibility! Sr. Highers only, additional training required, contact Michael if interested!
