A WORD FROM OUR PASTOR “WOW” MOMENTS WITH GOD

I was driving on a foggy morning and I could barely see the outline of the sun. I came to a spot where suddenly the fog all around seemed to glow brightly. I still could not see the sun clearly, but the fog must have thinned out until all was a bright glowing space around me. It was really kind of cool and immediately it took my thoughts to God.

I wondered if this would be what it would be like to enter God's presence. We talk about God's presence. We sing about His presence. Sometimes we feel we are in His presence. Then as I was driving it seemed like the Holy Spirit was asking me “do you really seek to be in His presence?”. Am I going to be freaked out to go to heaven and be in God's presence?

We all have some “WOW” moments when we see something spectacular and I am thinking His presence will be 1,000 times greater. But I also believe He wants us to be in a state of “WOW” by Him now. Romans 1:20 states, “For since the creation of the world God's invisible qualities- his eternal power and divine nature-have been clearly seen, being understood from what he has made...”.

Although I may not see Him clearly, His eternal power and divine nature can be clearly seen. Maybe I'm too busy to look? There are chances right here at church to see Him clearly, perhaps through worship services, bible studies, and ministry areas. Let us seek a deeper walk in the presence of our awesome God.

**Keep The Faith,
Pastor Randy**

VACATION BIBLE SCHOOL

"REV IT UP" proved to be a very successful VBS program this year @ FBC! The children and the leaders had an exciting week learning about being a part of God's team! 60-70 children attended each night and several decisions were made to ask Jesus to be Lord.. exciting!!!

THANK YOU HEIDI HALL for all your work organizing, preparing and leading our week...you did an awesome job! THANK YOU to all those who helped throughout the week as well. Over 20 volunteers committed to this ministry and though their desire was to bless the children God ended up blessing our leaders! PRAISE HIM!!!
